## FINISHING TOUCH

If your wish list includes a kitchen that will blend and adapt to your contemporary, open-plan space, you'll love the new walnut-effect finish for the AlnoPlan kitchen. It mimics the natural grains and textures of real wood and its appearance creates a warm and inviting atmosphere. It's available handled or handleless, and in 12 different colours, including Light Grey, Cashmere and Oxide Grey, and prices start from £10,000. [alnokitchens.co.uk](http://alnokitchens.co.uk).

### *Please be seated*

Thinking of furniture that'd be fit for the Queen? The Sé Stay dining armchair by Slovenian designer Nika Zupanc, would fit the bill. It has a rounded upholstered back and seat and gold powder-coated steel tubing frame for added opulence. It also comes in a choice of coloured fabrics and leather. Available at Harrods, it's from £1,026. [se-london.com](http://se-london.com).
